PEER TO PEER FUNDRAISING GUIDE

THE PHILANTHROPY CHALLENGE

*We are very excited to have you join us for the 2025 Mountain Challenge at Sunday River
September 25th - September 28th!*

The SCI Mountain Challenge is not solely a physical challenge. While the course is a major part of the experience, teams also participate in the Philanthropy Challenge and are encouraged to raise a minimum of **\$3,500** per team.

The overall standings in the competition are based on a combination of on-course time AND performance in the Philanthropy Challenge. If a team does not meet the minimum fundraising goal of \$3,500, they will not be qualified to receive an award in the overall and philanthropy categories. There are fundraising awards given in both team and individual categories.

The Philanthropy Challenge also serves as a fantastic opportunity for participants to share SCI's mission with individuals unfamiliar with our work. We encourage all participants to reach out to their personal networks and invite new audiences to learn more about the Mountain Challenge and The Seamen's Church Institute.

If you have any questions or problems with your peer-to-peer fundraising page, please do not hesitate to reach out to the event team at MountainChallenge@SeamensChurch.org.

Text-To-Give

Through GiveSmart- you can also create your own text-to-give fundraiser! This is a great opportunity to get your colleagues to support your fundraising campaign. You can put up a slide with the instructions to give at a company retreat, during a team call, or even print out the instructions and tape them to the refrigerator in your office's break room.

You can find your fundraiser's specific text-to-give information on the top left banner of your fundraising page. Example below:

Donor Stewardship

As a final note, it is always important to thank your donors! We recommend that each fundraiser thank their donors when they initially donate and with an update after the event.
